## WORK EXPERIENCES

### GRAPHIC DESIGNER

BA Booth Barcelona | APR 2019 - MAR 2020

- Branded photo frame design with Adobe Photoshop.
- Branding brochure for the company with Adobe Illustrator.
- GIF and video animations with After Effects.
- Photobooth system set up at the event, adding lights and calibrating the camera.
- Video recording with gimbal and Canon Mark IV.

### AUDIOVISUAL DESIGNER

BA Booth Argentina | FEB 2017 - MAR 2020

- Head of production of the company's audiovisual media.
- Video and motion graphic promotions for clients using After Effects.
- Video and graphic tutorials using Adobe Premiere and Illustrator.
- Live video editing at events.
- Product idealist and developer in coordination with our partners from Italy and Spain. E.g. Mirror Booth, Video Booth Special Effects.
- Booth software tester, constantly trying new stuff for services. E.g. I made an animated GIF design based in the stickers from Panini Russia 2018 album, which resulted in a big profit for the company.

## EDUCATION

### RESPONSIVE WEB DESIGN

FreeCodeCamp.org | APR 2020 - JUL 2020

This course is part of the Web Development 101 from The Odin Project that I'm still working on.

### DEGREE IN MULTIMEDIA DESIGN

Universidad de Palermo | AUG 2008 - JUL 2015

University career with thesis included.

### BACHELOR DEGREE

Oxford High School | JAN 2001 - DEC 2006

With job training in computer science, oriented to the accounting administrative area. English certificates approved:

- P.E.T.
- First Certificate.
